Looking at the work my ancestors did, it's just staggering...
Compared to now, it's like I've barely studied anything about fairies...

Right after opening the gate...

At the eating hall...

Where there's a rock beside the resevoir...
Near the entrance of the Runestone Caverns? Aah, in Kendaria...

What's this... My ancestor's...
"Aah.. Queen Katia.. She's too beautiful, my vision's blurring out..."

"Blurry..? AAHH! M-my glasses are gone!"
"Glasses, glasses.."

In Gromtull Desert, near the spring of black water...
